

Mr. James H. Rounds
383 Bergen St.,
Newark, N. J.

This license shall be exhibited under glass in a prominent and accessible place in the engine or boiler room. Failure to post license in this manner will subject the licensee to a fine of \$10.00 to \$100.00 as provided in R. S. 34:7-6.

When writing Bureau, always give your license number.

The scope of any license is limited in accordance with current regulations.

This license may be suspended or revoked for incompetence, negligence, intoxication while on duty, or other valid reason.

Information regarding violations will be kept confidential unless specified otherwise. Anonymous complaints must be disregarded.

A license is automatically cancelled on the date of its expiration. Any person performing the duties of a licensee and holding an expired license is subject to the penalty provisions under R. S. 34:7-6, as is his supervisor and employer. License shall be renewed within thirty days prior to the date of its expiration.

Fee should be sent in the form of money order or check, made payable to the Mechanical Inspection Bureau. This fee shall be as follows (34:7-3):

Annual license renewal, if requested no later
than expiration date \$3.00

Application for renewal if made not more than
3 years after expiration and if all penalties
lawfully imposed upon the applicant by the
Mechanical Inspection Bureau have been paid . . \$5.00

Tear along this line, replace stub in frame, and return license for renewal to the MECHANICAL INSPECTION BUREAU, DEPARTMENT OF LABOR AND INDUSTRY, TRENTON, NEW JERSEY, together with fee as required. (See above)
